**Warning of presence of obstructions near the Gibraltar Airport.**

28.(1) Subject to the provisions of this section, if the Minister is satisfied with respect to any building, structure or erection in the vicinity of the Gibraltar Airport that, in order to avoid danger to aircraft flying in that vicinity in darkness or conditions of poor visibility, provision ought to be made (whether by lighting or otherwise) for giving to such aircraft warning of the presence of that building, structure or erection, he may by direction authorise (subject to any conditions specified in the direction) the Director, and any person acting under the Director’s instructions—

(3) The Minister shall, before making a direction under this section—

(a) cause to be published, in such manner as he thinks best for informing persons concerned, notice of the proposal to make the direction and of the place where copies of the draft direction may be obtained free of charge; and

(b) take into consideration any representations with respect to the direction which may, within such period not being less than two months (unless the Minister certifies that the urgency of the matter requires a shorter period) after the publication of the notice as may be specified therein, be made to him by any person appearing to him to have an interest in any land which would be affected by the direction,
and at the end of that period the direction may, subject to the provisions of this section, be made with such modifications (if any) of the original draft as the Minister thinks proper.

(4) Every direction under this section shall provide—

(a) that, except in a case of emergency, no works shall be executed on any land in pursuance of the direction, unless, at least fourteen days previously, the Director has served in the manner specified in the direction on the occupier of that land, and on every other person known by the Director to have an interest therein, a written notice containing such particulars of the nature of the proposed works, and the manner in which and the time at which it is proposed to execute them, as may be specified in or in accordance with the direction; and

(b) that if, within fourteen days after service of the said notice on any person having such an interest, the Director receives a written intimation of objection on the part of that person to the proposals contained in the notice, being an intimation which specifies the grounds of objection, then, unless and except in so far as the objection is withdrawn, no steps shall be taken in pursuance of the notice without the specific sanction of the Minister,

and shall also provide for requiring the Director to pay to any person having an interest in any land affected by the direction such compensation for any loss or damage which that person may suffer in consequence of the direction as may, in default of agreement, be determined by the Supreme Court.

(6) The ownership of anything shall not be taken to be affected by reason only that it is placed in, or affixed to, any land in pursuance of a direction under this section; and (subject to the provisions of subsection (8)) so long as any such direction in respect of the Gibraltar Airport is in force, no person shall, except with the consent of the Director, willfully interfere with any works or things which, to the knowledge of that person, are works or things executed or placed in, on or over any land in pursuance of the direction.
(7) If any person contravenes the provisions of subsection (6), he shall be liable, on summary conviction, to imprisonment for a term not exceeding six months or to a fine not exceeding level 4 on the standard scale or to both; and every person who willfully obstructs a person in the exercise of any of the powers conferred by a direction under this section shall be liable, on summary conviction, to a fine not exceeding level 3 on the standard scale.

(8) Nothing in this section shall operate, in relation to any building, structure or erection, so as to restrict the doing of any work for the purpose of repairing, altering, demolishing or removing the building, structure or erection if—

(a) notice of the doing of that work is given as soon as may be to the Director; and

(3) Subsection (2) shall have effect with the substitution of “five years” for “two years” in the case of a provision about endangering an aircraft or a person in an aircraft.

(4) Summary proceedings for an offence against Air Navigation Regulations may be instituted at any time within twelve months from the commission of the offence if—

(a) it was committed in connection with the flight of an aircraft in the course of which an accident occurred; and

35.(1) No aircraft shall be used for the carriage for reward of passengers or cargo on a flight beginning or ending in Gibraltar unless the operator of the aircraft holds—

(a) a valid air operator’s certificate specifying activities which include the operation of aircraft on such flights as the flight in question; and

(b) a valid operating licence issued in accordance with the European Union Regulation,

authorising him to operate aircraft on such flights as the flight in question.

(2) Subsection (1) does not apply where—

(a) the aircraft is registered in a country other than a Member State;

(4) Where an aircraft is used on a flight in contravention of subsection (1), then—

(a) if before the flight began the operator of the aircraft knew or ought to have known that the use of the aircraft on that flight was likely to be in contravention of that subsection, he shall be guilty of an offence under this subsection; and

(b) if any other person, either by negotiating a contract or otherwise howsoever, made available accommodation for the carriage of passengers or cargo on the aircraft on the flight when he knew or ought to have known before the flight began that the accommodation was likely to be provided on an aircraft when used on a flight in contravention of the said subsection (1), that person shall be guilty of an offence under this subsection,

but a person shall not (except in pursuance of subsection 55(1) or the law relating to persons who aid, abet, counsel or procure the commission of offences) be guilty of an offence by virtue of paragraph (b) in consequence of the contravention by another person of a term of a licence.

(5) For the purpose of determining in pursuance of subsection (4) whether an offence relating to a flight has been committed by the operator of the aircraft used on the flight, it is immaterial that the relevant contravention mentioned in that subsection occurred outside Gibraltar if when it occurred the operator—

(a) was a British citizen or a British Overseas Territory citizen by virtue of a connection with Gibraltar; or

(b) was a body incorporated or registered under the law of Gibraltar; or
(c) was (other than a person described in paragraph (a) or a body described in paragraph (b)) maintaining a place of business in Gibraltar,

and for the purpose of determining in pursuance of that subsection whether an offence relating to a flight has been committed by a person who made available such accommodation as is mentioned in that subsection it is immaterial that the relevant contravention there mentioned occurred outside Gibraltar and that at any relevant time that person was not a person or body described in paragraph (a), (b) or (c) above if any part of the negotiations resulting in the making available of the accommodation in question took place, whether by means of the post or otherwise, in Gibraltar.

(6) Where the Director has reason to believe that an aircraft is intended to be used in contravention of subsection (1) on a particular flight beginning in Gibraltar, the Director may—

(a) give to the person appearing to him to be in command of the aircraft a direction that he shall not permit the aircraft to take off until the Director has informed him that the direction is cancelled;

(b) whether or not he has given such a direction, detain the aircraft until he is satisfied that the aircraft will not be used on the flight in contravention of the said subsection (1),

and a person who fails to comply with a direction given to him in pursuance of this subsection shall be guilty of an offence under this subsection.

(7) A person guilty of an offence under subsection (4) or (6) shall be liable—

(a) on summary conviction, to a fine not exceeding level 5 on the standard scale; and

(b) on conviction on indictment, to a fine or to imprisonment for a term not exceeding two years or to both.

(8) In this section—

“air operator’s certificate” means a document issued to an undertaking or a group of undertakings by a Member State which affirms that the operator in question is competent to secure the safe operation of aircraft of the types specified in the certificate on flights of the description and for the purposes so specified;

2008 on common rules for the operation of air services in the Community, any Regulation or other European Union instrument that replaces, amends or builds on that Regulation, or that deals with the licensing of air carriers;

“operating licence” means an authorisation by a Member State to an undertaking, permitting it to carry passengers, mail or cargo by air for remuneration or hire.

**Licensing of air carriers.**

36.(1) The Minister may make regulations under this section setting the procedure for the grant of an operating licence to air carriers established in Gibraltar in accordance with, and in order to give full effect to, the European Union Regulation.

(2) Regulations made by the Minister under this section may make provision as to—

(a) the competent authority in Gibraltar for performing functions pursuant to the European Union Regulation;

(b) the circumstances in which any licence under the regulations may or shall be granted, refused, revoked, varied or suspended;

(c) the circumstances in which any licence under the regulations shall or may be transferred or treated as if granted to a person other than the person to whom it was granted;

(d) the conditions which may be attached to any licence under the regulations and for securing compliance with any conditions so attached;

(e) the information to be furnished by an applicant for, or the holder of, any licence under the regulations to the competent authority and to such other authorities as may be specified in the regulations;

(3) In this section “European Union Regulation” shall have the same meaning as in section 35.

**Regulation of provision of accommodation in aircraft.**

37.(1) Provision may be made by regulations made by the Minister for securing that a person does not in Gibraltar—

(a) make available, as a principal or an agent, accommodation for the carriage of persons or cargo on flights in any part of the world; or

(b) hold himself out as a person who, either as a principal or an agent or without disclosing his capacity, may make such accommodation available,

unless he is the operator of the relevant aircraft or holds and complies with the terms of a licence issued in pursuance of the regulations or is exempted by or under the regulations from the need to hold such a licence.

(2) Regulations made by the Minister for the purposes of subsection (1) may contain such provisions as the Minister considers appropriate for those purposes and may, without prejudice to the generality of the preceding provisions of this subsection, include provision—

(a) as to the circumstances in which licences shall or shall not be issued in pursuance of the regulations;

(b) as to the terms of licences, which may include terms as to the minimum charges which are to be made and the goods, services and other benefits which are or are not to be furnished by any person whatsoever under or in connection with any contract which includes provision for the making available of accommodation on flights to which the licences in question relate;

(c) for the variation, suspension and revocation of licences;

(d) for appeals against refusals, variations, suspensions or revocations of licences to lie to a prescribed body or person (which may be a court, a body or person constituted or appointed by or under the regulations or such other body or
person as the Minister thinks fit) and for applying the provisions of any enactment, with or without modifications, in relation to such appeals; and

(e) for imposing penalties for contraventions of the regulations not exceeding in the case of each contravention a fine at level 5 on the standard scale on summary conviction and a fine and imprisonment for a term not exceeding two years on conviction on indictment.

Enforcement of foreign judgments etc in respect of route charges.

38.(1) Subject to the following provisions of this section, where a relevant authority in a Contracting State has made a determination as to whether or not any sum is due to Eurocontrol in respect of air navigation services provided by Eurocontrol or by some other person, that determination shall, in Gibraltar, be enforceable or, as the case may be, recognised in accordance with the following provisions of this section, but not otherwise.

(2) For the purposes of the enforcement in Gibraltar of any determination which is enforceable by Eurocontrol under this section, the provisions of sections 4, 5(1) and 7(2) and (3) of the Judgments (Reciprocal Enforcement) Act (registration of judgments, rules of court and powers of court on application to set aside registration) shall apply, with the necessary modifications, in relation to the determination as they apply in relation to a judgment to which Part I of that Act applies; and accordingly, for the purposes of this section, in subsection 7(2) of that Act—

(a) the reference to subsection (1) of that section shall have effect as a reference to subsection (7); and

(b) the reference to an appeal shall include a reference to an application for review of a determination.

(3) On an application for the purpose made by any person against whom a determination registered by virtue of subsection (2) may be enforced, the registration shall (subject to subsection (7)) be set aside if the court to which the application to register is made is satisfied—

(a) that the determination is not a determination to which this section applies;

(b) that the determination was registered in contravention to any provision applied by subsection (2); or

(c) that, by virtue of any of the following provisions of this section, the determination is not to be enforced in Gibraltar.
(4) Subject to subsection (7), a determination in respect of any sum by a relevant authority in a Contracting State shall not under this section be enforced or recognised in Gibraltar if—

(a) that Contracting State is not the country, or one of the countries, in which, under subsection (5), proceedings in respect of that sum should have been brought;

(b) the determination is not final;

(c) the determination is manifestly contrary to public policy in Gibraltar;

(d) the person against whom the proceedings resulting in the determination were brought did not (notwithstanding that process may have been duly served on him in the Contracting State in which those proceedings were brought) receive notice of the proceedings in sufficient time to enable him to defend them or, as the case may require, to apply for the proceedings to be reviewed;

(e) proceedings relating to the same sum have been brought previously, and are pending, in Gibraltar;

(f) the determination is incompatible with the judgment of any court in Gibraltar; or

(g) the determination—

(i) involved the application of rules of private international law to a question concerning the status or legal capacity of natural persons, or concerning rights in property arising out of matrimonial relationships or concerning wills or succession (being rules different from the corresponding rules of private international law applicable in Gibraltar), and

(ii) was different from the determination which would have been made if those corresponding rules had been applied.

(5) For the purposes of this section proceedings in respect of a sum payable to Eurocontrol must be brought against the person liable to pay the sum—

(a) in the Contracting State (if any) in which that person’s residence or, as the case may be, his registered office is situated;
(b) if that person’s residence or, as the case may be, his registered office is not situated in a Contracting State, in any Contracting State in which he has a place of business;

(c) if that person’s residence or, as the case may be, his registered office is not situated in a Contracting State and he has no place of business in any Contracting State, in any Contracting State in which he has assets;

(d) if that person’s residence or, as the case may be, his registered office is not situated in a Contracting State and he has neither a place of business nor any assets in any Contracting State, in the country in which Eurocontrol for the time being has its headquarters.

(6) For the purposes of this section a determination by a relevant authority in a Contracting State shall be final if neither an appeal from, nor an application for review of, that determination is pending in that State and it is not possible, for any of the following reasons, for such an appeal to be brought or such an application to be made, that is to say—

(a) no appeal or review is provided for in that State in respect of the determination, being a determination made by a court or tribunal;

(b) the time within which an appeal must be brought, or an application for review must be made, has expired;

(c) an appeal which has been brought, or an application for review which has been made, has been withdrawn; or

(d) the determination has been confirmed by, or made in pursuance of a direction contained in, a determination which was made by a relevant authority and is itself final.

(7) If, on an application to set aside the registration by virtue of subsection (2) of any determination, the applicant satisfies the court to which the application to register is made that the determination is not final, the court may, on such terms as it may think fit, either—

(a) set aside the registration; or

(b) adjourn the application to set aside the registration until such time as the determination has become final,

but nothing in this section shall require that court to take either of these courses where there is no other ground for setting aside the registration and the court is not satisfied that the applicant intends to continue with any
appeal or application for review which is pending or, as the case may be, to bring any appeal or make any such application which it is possible for him to bring or make in respect of the determination.

(8) In this section—

“Contracting State” means a country which is a party to the Multilateral Agreement relating to Route Charges signed at Brussels on 12th February 1981 at the Diplomatic Conference on the Protocol amending the Eurocontrol International Convention relating to Co-operation for the Safety of Air Navigation of 13th December 1960 and includes any territory (for example, Gibraltar) to which that Agreement applies or extends;

“relevant authority”, in relation to a Contracting State, means—

(a) any court or tribunal which, under the law of the State, has jurisdiction to determine questions as to whether or not a sum is due to Eurocontrol in respect of air navigation services provided by Eurocontrol or some other person;

(b) any administrative authority which, under that law, has jurisdiction to make, or is otherwise authorised to make, determinations in respect of such questions, being determinations which in that State are subject to appeal to, or review by, a court or tribunal;

(c) any court or tribunal which, under that law, has jurisdiction to determine any appeal from, or carry out any review of, a determination made in respect of any such question by another relevant authority.

Investigation of accidents

Investigation of accidents.

39.(1) Without prejudice to sections 16 and 33, the Minister may by regulations under this section make such provision as appears to him to be requisite or expedient—

(a) for the investigation of any accident arising out of or in the course of air navigation and occurring in or over Gibraltar; and

(b) for carrying out any Annex to the Chicago Convention (being an Annex adopted in accordance with the Convention and relating to the investigation of accidents involving aircraft) as it has effect from time to time with any amendment made in
accordance with the Convention (hereafter in this section referred to as “the Annex”).

(2) The power to make regulations under this section includes power to make provision—

(a) for the purpose of implementing Council Directive 94/56/EC of 21 November 1994 establishing the fundamental principles governing the investigation of civil aviation accidents and incidents, any directive or other European Union instrument that replaces, amends or builds on that Directive, or that deals with the investigation of civil aviation accidents and incidents;

(b) for the purpose of dealing with matters arising out of or related to any such obligation.

(3) Without prejudice to the generality of paragraph (b) of subsection (1), the provision there authorised includes provision with respect to any of the following matters, that is to say—

(a) the definition of “accident” for the purposes of this section so as to correspond to the meaning adopted for the time being in the Annex;

(b) the participation of any persons authorised for the purpose in accordance with the regulations in any investigation held in accordance with the requirements of the Annex by the competent authorities of a State; and

(c) the investigation of any accident other than one to which subsection (1)(a) applies for the purpose of securing any information, articles or other material which it is the duty of Gibraltar, in accordance with any requirements of the Annex, to furnish to a State.

(4) Without prejudice to the generality of subsection (1), regulations under this section may contain provisions—

(a) requiring notice to be given of any such accident as is mentioned in paragraph (a) of subsection (1) in such manner and by such persons as may be specified in the regulations;

(b) prohibiting, pending investigation, access to or interference with aircraft to which an accident has occurred, and authorising any person so far as may be necessary for the purposes of an investigation, or for the purpose of determining whether an investigation should be held, to have access to, examine,
remove, test, take measures for the preservation of, or otherwise deal with, any such aircraft and any other aircraft;

(c) authorising or requiring the cancellation, suspension, endorsement or surrender of any licence or certificate granted under Air Navigation Regulations where it appears on an investigation that the licence or certificate ought to be cancelled, suspended, endorsed or surrendered and requiring the production of any such licence or certificate for the purpose of being so dealt with.

(5) Without prejudice to paragraph (a) of subsection (3), in this section “accident” shall be construed as including any fortuitous or unexpected event by which the safety of an aircraft or any person is threatened.

(6) If any person contravenes or fails to comply with any regulations under this section that person shall be liable on summary conviction to a fine not exceeding level 5 on the standard scale or to imprisonment for a term not exceeding one year.

(7) Nothing in this section shall limit the powers of any authority under section 165 and sections 168 to 170 of the Merchant Shipping Act or any enactment amending those sections.

*Trespass by aircraft and aircraft nuisance, noise, etc.*

**Liability of aircraft in respect of trespass, nuisance and surface damage.**

40.(1) No action shall lie in respect of trespass or in respect of nuisance, by reason only of the flight of an aircraft over any property at a height above the ground which, having regard to wind, weather and all the circumstances of the case is reasonable, or the ordinary incidents of such flight, so long as the provisions of any Air Navigation Regulations have been duly complied with and there has been no breach of section 43.

(2) Subject to subsection (3), where material loss or damage is caused to any person or property on land or water by, or by a person in, or an article, animal or person falling from, an aircraft while in flight, taking off or landing, then unless the loss or damage was caused or contributed to by the negligence of the person by whom it was suffered, damages in respect of the loss or damage shall be recoverable without proof of negligence or intention or other cause of action, as if the loss or damage had been caused by the wilful act, neglect, or default of the owner of the aircraft.

(3) Where material loss or damage is caused as aforesaid in circumstances in which–
(a) damages are recoverable in respect of the said loss or damage by virtue only of subsection (2); and

(b) a legal liability is created in some person other than the owner to pay damages in respect of the said loss or damage,

the owner shall be entitled to be indemnified by that other person against any claim in respect of the said loss or damage.

(4) Where the aircraft concerned has been bona fide demised, let or hired out for any period exceeding fourteen days to any other person by the owner thereof, and no pilot, commander, navigator or operative member of the crew of the aircraft is in the employment of the owner, this section shall have effect as if for references to the owner there were substituted references to the person to whom the aircraft has been so demised, let or hired out.

Nuisance caused by aircraft at the Gibraltar Airport.

41.(1) Air Navigation Regulations may provide for regulating the conditions under which noise and vibration may be caused by aircraft at the Gibraltar Airport.

(2) No action shall lie in respect of nuisance by reason only of the noise and vibration caused by aircraft at the Gibraltar Airport, as long as the provisions of any regulations referred to in subsection (1) are duly complied with.

Regulation of noise and vibration from aircraft.

42.(1) The Minister may by a notice published in the Gazette provide that it shall be the duty of the person who is the operator of the aircraft which is to take off or land at the Gibraltar Airport to secure that, after the aircraft takes off or, as the case may be, before it lands at the Gibraltar Airport, such requirements as are specified in the notice are complied with in relation to the aircraft, being requirements appearing to the Minister to be appropriate for the purpose of limiting or of mitigating the effect of noise and vibration connected with the taking off or landing of aircraft at the Gibraltar Airport.

(2) If it appears to the Minister that any requirement specified in relation to the Gibraltar Airport in a notice published in pursuance of subsection (1) has not been complied with as respects any aircraft he may, after affording to the person who at the relevant time was the operator of the aircraft an opportunity of making representations to him with respect to the matter and after considering any representations then made by that person, take such steps as may be necessary to ensure that facilities for using the Gibraltar Airport are withheld, to such extent as the Minister may determine, from aircraft of which the person aforesaid is the operator and from his servants.
(3) If the Minister considers it appropriate, for the purpose of avoiding, limiting or mitigating the effect of noise and vibration connected with the taking-off or landing of aircraft at the Gibraltar Airport, to prohibit aircraft from taking off or landing, or limit the number of occasions on which they may take off or land, at the Gibraltar Airport during certain periods, he may by a notice published in the Gazette do all or any of the following, that is to say—

(a) prohibit aircraft of descriptions specified in the notice from taking off or landing at the Gibraltar Airport (otherwise than in an emergency of a description so specified) during periods so specified;

(b) specify the maximum number of occasions on which aircraft of descriptions so specified may be permitted to take off or land at the Gibraltar Airport (otherwise than as aforesaid) during periods so specified; and

(c) determine the persons who shall be entitled to arrange for aircraft of which they are the operators to take off or land at the Gibraltar Airport during the periods specified under paragraph (b) and, as respects each of those persons, the number of occasions on which aircraft of a particular description of which he is the operator may take off or land at the Gibraltar Airport during those periods.

(4) Without prejudice to paragraph (d) of subsection (5), a particular occasion or series of occasions on which aircraft take off or land at the Gibraltar Airport shall be disregarded for the purposes of any notice under subsection (3) if—

(a) on that occasion or series of occasions the aircraft take off or land in circumstances specified for the purposes of this subsection in relation to the Gibraltar Airport by the Minister in a notice published in the Gazette; and

(b) the Minister determines that that occasion or series of occasions should be so disregarded.

(5) The following supplementary provisions shall have effect for the purposes of subsection (3), that is to say—

(a) it shall be the duty of the Minister, before he makes a determination in pursuance of paragraph (c) of that subsection, to consult any body appearing to him to be representative of operators of aircraft using the Gibraltar Airport;

(b) a notice under that subsection may make, in relation to the Gibraltar Airport, provision as respects any period
notwithstanding that the period is included in or that there is included in the period, any other period as respects which provision relating to the Gibraltar Airport is made by the notice or by another notice under that subsection;

(c) if it appears to the Minister that an aircraft is about to take off in contravention of any prohibition or restriction imposed in pursuance of that subsection, then, any person authorised by the Minister for the purpose may detain the aircraft for such period as the Minister considers appropriate for preventing the contravention and may, for the purpose of detaining the aircraft, enter upon any land;

(d) the Minister may, by a notice published in the Gazette determine that a particular occasion or series of occasions on which aircraft take off or land at the Gibraltar Airport shall be disregarded for the purposes of the notice under that subsection.

(6) Any notice published in pursuance of subsection (1), (3) or (4) may contain such incidental or supplementary provisions as the Minister considers appropriate for the purposes of that subsection and may be varied or revoked by a subsequent notice published in pursuance of that subsection.

Dangerous flying.

43.(1) Where an aircraft is flown in such a manner as to be the cause of unnecessary danger to any person or property on land or water, the pilot or the person in charge of the aircraft, and also the owner thereof, unless he proves to the satisfaction of the court that the aircraft was so flown without his actual fault or privity, shall be liable on summary conviction to a fine not exceeding level 4 on the standard scale or to imprisonment for a term not exceeding six months or to both.

(2) In this section the expression “owner” in relation to an aircraft includes any person by whom the aircraft is hired at the time of the offence.

(3) The provisions of this section shall be in addition to and not in derogation of the powers conferred on the Minister by section 33.

PART VI
AIRCRAFT

Rights etc. in relation to aircraft

Application of law of wreck and salvage to aircraft.
44.(1) Any services rendered in assisting, or in saving life from, or in saving the cargo or apparel of, an aircraft in, on or over the sea or any tidal water, or on or over the shores of the sea or any tidal water, shall be deemed to be salvage services in all cases in which they would have been salvage services if they had been rendered in relation to a vessel.

(2) Where salvage services are rendered by an aircraft to any property or person, the owner of the aircraft shall be entitled to the same reward for those services as he would have been entitled to if the aircraft had been a vessel.

(3) Subsections (1) and (2) shall have effect notwithstanding that the aircraft concerned is a foreign aircraft and notwithstanding that the services in question are rendered elsewhere than within the limits of the territorial waters of Gibraltar.

(4) The Minister may by regulations direct that any provisions of any law of Gibraltar for the time being in force which relate to wreck, to salvage of life or property or to the duty of rendering assistance to vessels in distress shall, with such modifications, if any, as may be specified in the regulations apply in relation to aircraft as those provisions apply in relation to vessels.

(5) For the purposes of this section, any provision of any law of Gibraltar which relates to vessels laid by or neglected as unfit for sea service shall be deemed to be provisions relating to wreck.

**Exemption of aircraft and parts thereof from seizure on patent claims.**

45.(1) Any lawful entry into Gibraltar or any lawful transit across Gibraltar, with or without landings, of an aircraft to which this section applies shall not entail any seizure or detention of the aircraft or any proceedings being brought against the owner or operator thereof or any other interference therewith by or on behalf of any person in Gibraltar, on the ground that the construction, mechanism, parts, accessories or operation of the aircraft is or are an infringement of any patent, design or model.

(2) Subject to subsection (3), the importation into, and storage in, Gibraltar of spare parts and spare equipment for an aircraft to which this section applies and the use and installation thereof in the repair of such an aircraft shall not entail any seizure or detention of the aircraft or of the spare parts or spare equipment or any proceedings being brought against the owner or operator of the aircraft or the owner of the spare parts or spare equipment or any other interference with the aircraft by or on behalf of any person in Gibraltar on the ground that the spare parts or spare equipment or their installation are or is an infringement of any patent, design or model.
(3) Subsection (2) shall not apply in relation to any spare parts or spare equipment which are sold or distributed in Gibraltar or are exported from Gibraltar for sale or distribution.

(4) This section applies to an aircraft other than an aircraft used in military, customs or police services, registered in any country or territory in the case of which there is for the time being in force a notice issued by the Minister that the benefits of this section apply to that country or territory.

(5) Schedule 2 shall have effect with respect to detention on patent claims in respect of foreign aircraft other than aircraft to which this section applies.

**Power to give effect to Convention on Rights in Aircraft.**

46.(1) The Minister may by regulations make such provision as appears to him to be necessary or expedient for giving effect to the Convention on the International Recognition of Rights in Aircraft which was signed at Geneva on behalf of the United Kingdom on 19th June 1948 and which has been extended to Gibraltar (in this section referred to as “the Convention”).

(2) Without prejudice to the generality of the powers conferred by subsection (1), regulations under this section may, in particular, make provision—

(a) for the recognition in Gibraltar of rights of the kind specified in the Convention in or over aircraft registered in a State party to the Convention, being rights registered or recorded in those States in accordance with the Convention and recognised as valid by the law of the State party to the Convention in which the aircraft in question was registered when the rights were constituted;

(b) for subordinating to any such rights as aforesaid, to such extent as may be required under the Convention, any other rights in or over such aircraft as aforesaid;

(c) as respects the operation, in relation to such aircraft as aforesaid, of any of the enactments in force in Gibraltar relating to bills of sale or the registration of charges on the property or undertaking of companies;

(d) for prohibiting the sale in execution of any such aircraft as aforesaid without an order of a court, and otherwise for safeguarding in the case of such a sale any such rights as are mentioned in paragraph (a);

(e) for the recognition in Gibraltar, in priority to other rights in or over any such aircraft as aforesaid, of any charge consequent
on salvage or similar operations in respect of the aircraft, being a charge arising in accordance with the law of any State party to the Convention in which those operations terminated;

(f) for the application, in accordance with the Convention, of provisions corresponding to those made by virtue of paragraphs (a) to (d) above to cases where a right such as is mentioned in the said paragraph (a) (being a right created as security for the payment of indebtedness) extends to any store of spare parts for the aircraft in question.

Jurisdiction in civil matters.

47. The Minister may by regulations make provision as to the courts in which proceedings may be taken for enforcing any claim in respect of aircraft, and in particular may provide—

(a) for conferring jurisdiction in any such proceedings on any court exercising Admiralty jurisdiction; and

(b) for applying to such proceedings any rules of practice or procedure applicable to proceedings in Admiralty.

Application of criminal law to aircraft.

48.(1) Any act or omission taking place on board a Gibraltar-controlled aircraft or, (subject to subsection (2)), a foreign aircraft while in flight elsewhere than in or over Gibraltar which, if taking place in Gibraltar, would constitute an offence under the law in force in Gibraltar shall constitute that offence; but this subsection shall not apply to any act or omission which is expressly or impliedly authorised by or under that law when taking place outside Gibraltar.

(2) Subsection (1) shall only apply to an act or omission which takes place on board a foreign aircraft where—

(a) the next landing of the aircraft is in Gibraltar; and

(b) the act or omission would, if taking place in the country where the aircraft is registered, also constitute an offence under the law in force in that country.

(3) Any act or omission punishable under the law in force in any country is an offence under that law for the purposes of subsection (2), however it is described in that law.
(4) The requirement in paragraph (b) of subsection (2) shall be taken to be met unless, not later than the rules of court may provide, the defence serve on the prosecution a notice—

(a) stating that, on the facts as alleged with respect to the act or omission, the requirement is not in their opinion met;

(b) showing the grounds for their opinion; and

(c) requiring the prosecution to prove that it is met.

(5) The court, if it thinks fit, may permit the defence to require the prosecution to prove that the requirement is met without the prior service of a notice under subsection (4).

(6) In the Supreme Court the question whether the requirement is met is to be decided by the judge alone.

(7) For the purpose of conferring jurisdiction, any offence under the law in force in Gibraltar committed on board an aircraft in flight shall be deemed to have been committed in Gibraltar wherever the offender may for the time being be.

(8) For the purposes of this section the period during which an aircraft is in flight shall be deemed to include any period from the moment when power is applied for the purpose of the aircraft taking off on a flight until the moment when the landing run (if any) at the termination of that flight ends; and any reference in this section to an aircraft during any period when it is on the surface of the sea or land but not within the territorial limits of any country.

(9) In this section, except where the context otherwise requires—

“aircraft” means any aircraft, whether or not a Gibraltar-controlled aircraft, other than—

(a) a military aircraft; or

(b) an aircraft which, not being a military aircraft, belongs to or is exclusively employed in the service of Her Majesty in right of the United Kingdom;

“foreign aircraft” means any aircraft other than a Gibraltar-controlled aircraft;

“Gibraltar-controlled” aircraft” means an aircraft—
(a) which is not for the time being registered in any country but in the case of which either the operator of the aircraft or each person entitled as owner to any legal or beneficial interest in it resides or has his principal place of business in Gibraltar; or

(b) which, being for the time being registered in some other country, is for the time being chartered by demise to a person who, or to persons each of whom, satisfies the requirements aforesaid;

“military aircraft” means—

(a) an aircraft of the naval, military or air forces of any country; or

(b) any other aircraft in respect of which there is in force a certificate issued in the United Kingdom by the Secretary of State, acting in accordance with a provision of an Air Navigation Order in force in the United Kingdom, that the aircraft is to be treated for the purposes of that Order as a military aircraft and an equivalent provision as to the one upon which the Secretary of State has so acted is in force under the laws of Gibraltar,

and a certificate of the Secretary of State that any aircraft is or is not a military aircraft for the purposes of section 92 of the United Kingdom’s Civil Aviation Act 1982 shall be conclusive evidence of the fact certified for the purpose of this section.

Powers of commander of aircraft

Powers of commander of aircraft.

49.(1) The provisions of subsections (2) to (5) shall have effect for the purposes of any proceedings before any court in Gibraltar.

(2) If the commander of an aircraft in flight, wherever that aircraft may be, has reasonable grounds to believe in respect of any person on board the aircraft—

(a) that the person in question has done or is about to do any act on the aircraft while it is in flight which jeopardises or may jeopardise—

(i) the safety of the aircraft or of persons or property on board the aircraft; or

(ii) good order and discipline on board the aircraft, or
(b) that the person in question has done on the aircraft while in flight any act which in the opinion of the commander is a serious offence under any law in force in the country in which the aircraft is registered, not being a law of a political nature or based on racial or religious discrimination,

then, subject to subsection (4), the commander may take with respect to that person such reasonable measures, including restraint of his person, as may be necessary—

(i) to protect the safety of the aircraft or of persons or property on board the aircraft;

(ii) to maintain good order and discipline on board the aircraft; or

(iii) to enable the commander to disembark or deliver that person in accordance with subsection (5).

(4) Any restraint imposed on any person on board an aircraft under the powers conferred by the preceding provisions of this section shall not be continued after the time when the aircraft first thereafter ceases to be in flight unless before or as soon as is reasonably practicable after that time the commander of the aircraft causes notification of the fact that a person on board the aircraft is under restraint and of the reasons therefor to be sent to an appropriate authority of the country in which the aircraft so ceases to be in flight, but subject to such notification may be continued after that time—

(a) for any period (including the period of any further flight) between that time and the first occasion thereafter on which the commander is able with any requisite consent of the appropriate authorities to disembark or deliver the person under restraint in accordance with subsection (5); or

(b) if the person under restraint agrees to continue his journey under restraint on board that aircraft.

(5) The commander of an aircraft—
Civil Aviation

(a) if in the case of any person on board the aircraft he has reasonable grounds—

(i) to believe as mentioned in paragraph (a) of subsection (2); and

(ii) to believe that it is necessary so to do in order to protect the safety of the aircraft or of persons or property on board the aircraft or to maintain good order and discipline on board the aircraft,

may disembark that person in any country in which that aircraft may be; and

(b) if in the case of any person on board the aircraft he has reasonable grounds to believe as mentioned in paragraph (b) of subsection (2), may deliver that person—

(i) in Gibraltar, to a police or immigration officer; or

(ii) in any country which is a Convention country, to an officer having functions corresponding to the functions in Gibraltar either of a police or of an immigration officer.

(6) The commander of an aircraft—

(a) if he disembarks any person in pursuance of paragraph (a) of subsection (5), in the case of a Gibraltar-controlled aircraft in any country or, in the case of any other aircraft in Gibraltar, shall report the fact of, and the reasons for, that disembarkation to—

(i) an appropriate authority in the country of disembarkation; and

(ii) the appropriate diplomatic or consular office of the country of nationality of that person;

(b) if he intends to deliver any person in accordance with paragraph (b) of subsection (5) in Gibraltar or, in the case of a Gibraltar-controlled aircraft, in any other country which is a Convention country, shall before or as soon as reasonably practicable after landing give notification of his intention and of the reasons therefor—
(i) where the country in question is Gibraltar, to a police or immigration officer or, in the case of any other country, to an officer having functions corresponding to the functions in Gibraltar either of a police or of an immigration officer;

(ii) in either case to the appropriate diplomatic or consular office of the country of nationality of that person,

and any commander of an aircraft who without reasonable cause fails to comply with the requirements of this subsection shall be liable on summary conviction to a fine not exceeding level 3 on the standard scale.

(7) In this section—

“pilot in command” in relation to an aircraft, means a person who for the time being is in charge of the piloting of the aircraft without being under the direction of any other pilot in the aircraft;

and, subject to subsection (8), subsections 48(8) and (9) shall apply for the purposes of this section as they apply for the purposes of that section.

(8) The time during which an aircraft is in flight shall, for the purposes of this section, be deemed to include, in addition to such a period as is mentioned in subsection 48(8)—

(a) any further period from the moment when all external doors, if any, of the aircraft are closed following embarkation for a flight until the moment when any such door is opened for disembarkation after that flight; and

(b) if the aircraft makes a forced landing, any period thereafter until the time when competent authorities of the country in which the forced landing takes place take over the responsibility for the aircraft and for the persons and property on board the aircraft (being, if the forced landing takes place in Gibraltar, the time when a police officer arrives at the place of landing).

Evidence, etc.
Provisions as to evidence in connection with aircraft.

50.(1) Where in any proceedings before a court in Gibraltar for an offence committed on board an aircraft the testimony of any person is required and the court is satisfied that the person in question cannot be found in Gibraltar, there shall be admissible in evidence before that court any deposition relating to the subject matter of those proceedings previously made on oath by that person outside Gibraltar which was so made—

(a) in the presence of the person charged with the offence; and

(b) before a judge or magistrate of a country such as is mentioned in Schedule 3 to the United Kingdom’s British Nationality Act 1981 as for the time being in force or which was part of Her Majesty’s dominions at the time the deposition was made or in which Her Majesty had jurisdiction at that time, or before a consular officer of Her Majesty’s Government in the United Kingdom.

(2) Any such deposition shall be authenticated by the signature of the judge, magistrate or consular officer before whom it was made who shall certify that the person charged with the offence was present at the taking of the deposition.

(3) It shall not be necessary in any proceedings to prove the signature or official character of the person appearing so to have authenticated any such deposition or to have given such a certificate, and such a certificate shall, unless the contrary is proved, be sufficient evidence in any proceedings that the person charged with the offence was present at the making of the deposition.

(4) In this section—

“deposition” includes any affidavit, affirmation or statement made upon oath; and

“oath” includes an affirmation or declaration in the case of persons allowed by law to affirm or declare instead of swearing,

and subsections 48(8) and (9) shall apply for the purposes of this section as they apply for the purposes of that section.

(5) Nothing in this section shall prejudice the admission as evidence of any deposition which is admissible in evidence apart from this section.

Use of records and documentary evidence.
51.(1) In any legal proceedings a document purporting to be certified by such authority or person as may be designated for the purpose by regulations made by the Minister as being, or being a true copy of, or of part of, a document issued or record kept in pursuance of Air Navigation Regulations by, or by the Minister in charge of, a Government department, by an official of a Government department specified for the purpose in Air Navigation Regulations or by the Director of Civil Aviation shall be evidence of the matters appearing from the document.

(2) In any legal proceedings any record made by any such authority or person as may be designated for the purposes of this subsection by regulations made by the Minister, or by a person acting under the control of such an authority or person, being a record purporting to show—

(a) the position of an aircraft at any material time; or

(b) the terms or content of any message or signal transmitted to any aircraft, either alone or in common with other aircraft, or received from any aircraft, by the first-mentioned authority or person, or by a person acting under the control of that authority or person,

shall, if produced from the custody of that authority or person, be evidence of the matters appearing from the record.

MISCELLANEOUS AND GENERAL

Offences (General Matters)

Offences by a corporate body.

55.(1) Where an offence to which this subsection applies has been committed by a body corporate and is proved to have been committed with the consent or connivance of or to be attributable to any neglect on the part of any director, manager, secretary or other similar officer of the body corporate or any person who was purporting to act in any such capacity, he as well as the body corporate shall be guilty of that offence and be liable to be proceeded against and punished accordingly.

(2) Where the affairs of a body corporate are managed by its members subsection (1) shall apply in relation to the acts and defaults of a member in connection with his functions of management as if he were a director of the body corporate.

(3) Any offence to which this subsection applies shall, for the purpose of conferring jurisdiction, be deemed to have been committed in any place where the offender may for the time being be.

(4) Subsection (1) applies to any offence under section 13.

(5) Subsection (3) applies to any offence under any provision made by or under this Act, except, without prejudice to subsection 48(7), an offence under subsection 49(6).

Offences by others.

56.(1) Where the commission by any person of an offence under this Act is due to the act or default of some other person, that other person shall be guilty of the offence; and a person may be charged with and convicted of the offence by virtue of this section whether or not proceedings are taken against the first-mentioned person.

(2) In any proceedings for an offence under this Act, it shall, subject to subsection (3), be a defence for the person charged to prove that he took all reasonable steps and exercised all due diligence to avoid committing the offence.
(3) Where the defence provided by subsection (2) involves an allegation that the commission of the offence was due to the act or default of another person, the person charged shall not, without leave of the court, be entitled to rely on that defence unless, within a period ending seven clear days before the hearing, he has served on the Attorney General a notice in writing giving such information identifying or assisting in the identification of that other person as was then in his possession.

Continuation of the offence.

57. Without prejudice to the right to bring separate proceedings for contraventions of this Act taking place on separate occasions, a person who is convicted of an offence under this Act shall, where the offence continues after the conviction—

(a) be deemed to commit a separate offence in respect of every day on which the offence so continues; and

(b) be liable on summary conviction or on conviction on indictment as the case may be, together with such liability as may be stipulated in this Act, to a fine not exceeding level 5 on the standard scale for each such day.

(7) The bringing of an appeal under this section shall not operate to suspend the effect of the decision appealed against.

(8) Except as provided by this section, the validity of a decision to which this section applies shall not be questioned in any legal proceedings whatsoever.

(9) If by reason of any default on the part of the person who has instituted an appeal in accordance with this section, the appeal has not been determined by the Supreme Court within three months of the date of the notice of appeal or application by which the appeal was instituted, the Minister or the Director, as the case may be, may apply to the Supreme Court, by a summons served on the person who has instituted the appeal in
accordance with this section, to show cause why the appeal should not be dismissed for want of prosecution; and upon the making of such an application the Supreme Court may dismiss the appeal or make such other order as it considers just.

(10) A decision of the Supreme Court under this section shall be final as to any question of fact, but an appeal shall lie to the Court of Appeal on any question of law.
