(3) The period referred to in sub-regulation (2) is a period-

- (a) starting on the date of the injury or the first day of the sickness; and

**PART VA
SECURITY AGAINST SHIPOWNER'S LIABILITY FOR DEATH
OR LONG TERM DISABILITY OF SEAFARERS.**

Interpretation for Part VA

32A. In this Part-

“shipowner's security document” has the meaning given in regulation 32G(6);

“shipowner's security” has the meaning given in regulation 32C.

Shipowner's security requirement applicable to all ships.

32B.(1) No shipowner shall operate a ship to which these Regulations apply unless-

- (a) a shipowner's security is in force in relation to the ship; or
- (b) financial security to assure compensation in the event of death or long term disability of seafarers due to occupational illness, injury or hazard is provided in relation to the ship in accordance with paragraph 1 of Standard A4.2.1 of the MLC.

(2) Where the shipowner contravenes sub-regulation (1) commits an offence and is liable on summary conviction to a fine not exceeding level 4 on the standard scale.

Meaning of “shipowner's security”.

32C. In this Part, “shipowner's security” means a contract of insurance or other form of security relating to a ship that-

- (a) provides financial assurance of an amount which the shipowner reasonably considers adequate to ensure that the shipowner will be able to meet any liabilities that the shipowner may

have, including liabilities under seafarer employment agreements, to provide compensation in the event of death or long term disability arising from occupational injury, illness or hazard to seafarers whose normal place of work is on board the ship; and

- (b) provides that-
 - (i) any such seafarer who suffers an occupational injury, illness or hazard-
 - (aa) occurring during the period of validity of the shipowner's security; and
 - (bb) causing long term disability; or
 - (ii) where the occupational injury, illness or hazard causes the death of the seafarer, the seafarer's personal representatives,

may submit a claim for compensation directly to the shipowner's security provider in respect of the disability or, as the case may be, death of the seafarer.

Payment of contractual compensation.

32D.(1) This regulation applies where a claim for contractual compensation is submitted to a shipowner's security provider.

(2) A shipowner's security provider must pay the contractual compensation to the seafarer or the seafarer's personal representative within 7 days beginning with the date on which it is established that the shipowner is liable for the contractual compensation either-

- (a) by agreement between-
 - (i) the shipowner's security provider; and
 - (ii) the seafarer or the seafarer's personal representative; or
- (b) if earlier, by order of a court or tribunal which is not subject to appeal.

(3) If sub-regulation (2) is not complied with, the shipowner's security provider must pay to the seafarer, or the seafarer's personal representative, interest on the unpaid amount at the rate of 20% per year beginning with the

date that the shipowner's security provider became satisfied that the shipowner is so liable.

(4) In this regulation, "claim for contractual compensation" means a claim for compensation in the event of death or long term disability of a seafarer arising from occupational injury, illness or hazard where the compensation payable in respect of the claim is set out in the seafarer's seafarer employment agreement, and "contractual compensation" is to be construed accordingly.

Interim payments.

32E.(1) A seafarer is entitled to a payment (an "interim payment") from a shipowner's security provider if the following conditions are satisfied-

- (a) the shipowner is liable to pay compensation to the seafarer due to the seafarer having sustained a long-term disability as a result of an occupational injury, illness or hazard;
- (b) the occupational injury, illness or hazard occurred during the period of validity of the shipowner's security;
- (c) the shipowner's security provides financial assurance in respect of the compensation mentioned in paragraph (a);
- (d) the full amount of compensation payable has not yet been determined; and
- (e) the seafarer is suffering hardship.

(2) A seafarer entitled under sub-regulation (1) may make a request for an interim payment to the shipowner's security provider.

(3) A request under sub-regulation (2) must be supported by evidence that the seafarer satisfies the conditions specified in sub-regulation (1).

(4) A shipowner's security provider must within 14 days of receipt of the request from the seafarer determine whether the conditions in sub-regulation (1) are satisfied.

(5) If, in contravention of sub-regulation (4), a shipowner's security provider does not determine whether the conditions in sub-regulation (1) are satisfied, it must make an interim payment within 21 days of the receipt of the request from the seafarer.

(6) Where a shipowner's security provider determines that the conditions in sub-regulation (1) are satisfied, it must make the interim payment within 21 days of the receipt of the request from the seafarer.

(7) The minimum amount of an interim payment is-

- (a) where an amount in respect of any part of the claim has been determined and payment of that amount would be sufficient to alleviate the seafarer's hardship, the amount so determined; or
- (b) where no amount in respect of any part of the claim has been determined, or the amount which has been determined is not sufficient to alleviate the seafarer's hardship, the lower of-
 - (i) such amount as would alleviate the seafarer's hardship; and
 - (ii) 75% of the likely total amount of compensation payable in respect of the claim as estimated by the shipowner's security provider.

(8) Where, in contravention of sub-regulation (5) or (6), a shipowner's security provider does not make an interim payment, the shipowner's security provider must pay interest on the unpaid amount at a rate of 20% per year from the date of receipt of the request from the seafarer.

(9) A shipowner's security provider who makes an interim payment may deduct the amount of the interim payment from the full amount of compensation payable in respect of the shipowner's liability.

(10) A shipowner's security provider who-

- (a) has made an interim payment under sub-regulation (5); and
- (b) subsequently determines that the conditions in sub-regulation (1) were not satisfied,

may recover as a civil debt the amount of the interim payment less any interest payable under sub-regulation (8).

(11) A shipowner's security provider may recover as a civil debt any proportion of an interim payment which exceeds the full amount of compensation payable in respect of a claim.

Offence of undue pressure.

32F. A person is guilty of an offence if that person induces another to accept less than the full amount of compensation payable, as set out in a seafarer's seafarer employment agreement, in respect of the death or long term disability of a seafarer due to occupational injury, illness or hazard.

Duty to carry and display shipowner's security document.
