Appointment Of Deputy Marriage Registrar

Gibraltar Gazette No.5149, Government Notice No.386

Under the powers granted by Section 3(2) of the Marriage Act, the Minister with responsibility for Personal Status will appoint any public officer who works at the Civil Status and Registration Office (CSRO), as Deputy Marriage Registrars, effective from 6th May 2024. These appointments will be subject to the Registrar's discretion.

All other public officers previously appointed by name as Deputy Marriage Registrars will retain their status only if they are currently working at the CSRO. This change reflects an updated policy to streamline the appointment process for Deputy Marriage Registrars.
