"EXPLANATORY MEMORANDUM

The purpose of these Regulations is to amend the Environment (Deployment of Alternative Fuels Infrastructure) Regulations 2016 ("the 2016 Regulations") to create equivalent domestic provisions for Regulation (EU) 2023/1804 of the European Parliament and of the Council of 13 September 2023 on the deployment of alternative fuels infrastructure ("the EU Regulation").

The 2016 Regulations established an initial framework for the deployment of alternative fuels infrastructure in Gibraltar. These Regulations substantially update and expand that framework to reflect the more ambitious and detailed requirements of the EU Regulation, including new mandatory targets, technical specifications, payment and data requirements, and provisions covering a wider range of transport modes."
