EXPLANATORY MEMORANDUM

The purpose of these Regulations is to amend Commission Regulation (EC) No 1418/2007 of 29 November 2007 (as retained in Gibraltar) concerning the export for recovery of certain waste listed in Annex III or IIIA to Regulation (EC) No 1013/2006 of the European Parliament and of the Council to certain countries to which the OECD Decision on the control of transboundary movements of wastes does not apply. Specifically, give effect to the amendments made by Commission Regulation (EU) 2021/1840 of 20 October 2021, which updated the Annex to Regulation (EC) No 1418/2007 to reflect new information received from third countries regarding their national control procedures for the import of waste for recovery.
