**PART 6
REPORTING AND NOTIFICATION**

**Chapter 1
General**

Publication of sanctions and other measures.

55.(1) This regulation applies—

- (a) where the GFSC has taken any sanctioning action under the Act or these Regulations in respect of a contravention of a regulatory requirement; and
- (b) instead of sections 616 to 617 of the Act.

(2) The GFSC must publish on its website only details of any sanctioning action taken in respect of a person without undue delay after that person is informed of that action.

(3) The information published must be limited to—

- (a) the identity of the individual or legal person responsible for it;
- (b) the type and nature of the contravention; and
- (c) the details of the sanctioning action taken.

(4) The GFSC must take one of the steps in sub-regulation (5) where—

- (a) following an obligatory prior assessment, it considers that it would be disproportionate to publish in accordance with sub-regulation (2)—
 - (i) the identity of the legal person involved; or
 - (ii) the personal data of the individual involved; or

- (b) it considers that publication would jeopardise the stability of financial markets or an ongoing investigation.

(5) Those steps are—

- (a) to defer publication until the reasons for non-publication cease to exist;
- (b) to publish the decision on an anonymous basis if doing so ensures effective protection of the personal data concerned; or
- (c) not to publish the decision if the steps in paragraphs (a) and (b) are considered to be insufficient to ensure—
 - (i) that the stability of the financial markets would not be put in jeopardy; or
 - (ii) the proportionality of the publication of such decisions with regard to measures which are deemed to be of a minor nature.

(6) In the case of a decision to publish on an anonymous basis, the publication of the relevant data may be postponed for a reasonable period of time if it is envisaged that within that period the reasons for anonymous publication will cease to exist.

(7) Sub-regulation (2) does not apply while an appeal could be brought or is pending.

(8) But the GFSC may apply to the Supreme Court for permission to publish a decision which is or may be subject to an appeal and in such cases section 618 of the Act applies.

(9) The GFSC must ensure that any publication is of proportionate duration and remains on its website for not more than two years or, if longer, the period during which any sanction imposed applies (and, for the purposes of publication, a sanction which is imposed without a specific duration is to be regarded as having a duration of three years).

(10) The GFSC must ensure that personal data is only retained on the website for so long as is necessary, in accordance with the data protection legislation.

(11) The GFSC must inform EIOPA of any sanctioning action taken but not published in accordance with this regulation, including any related appeal and its outcome.

Reporting of breaches.

56.(1) The GFSC must establish effective mechanisms to enable and encourage the reporting to it of possible or actual breaches of these Regulations.

(2) Those mechanisms must include—

- (a) specific procedures for the receipt and follow-up of reports;
- (b) access for employees and other persons who report breaches committed within insurance or reinsurance distributors to—
 - (i) information and advice on the legal procedures and remedies available to protect the person against retaliation, discrimination or other types of unfair treatment, including on the procedures for seeking compensation; and
 - (ii) effective assistance from the GFSC before any relevant authority involved in the person's protection against unfair treatment, including certification by the GFSC in any employment dispute of the reporting person's status as a person who has reported a breach.
- (c) protection of the identity of both the person who reports the breach and the individual who is allegedly responsible for the breach, at all stages of the procedure unless disclosure is required by law in the context of further investigation or subsequent administrative or judicial proceedings.

Submitting information to EIOPA on sanctions and other measures.

57.(1) The GFSC must inform EIOPA of any administrative sanction or measure imposed under these Regulations but not published in accordance with regulation 55.

(2) The GFSC must provide EIOPA annually with aggregated information regarding all administrative sanctions and other measures imposed in accordance with the Act and Chapter 2 of Part 8 of these Regulations for the purposes of performing its functions under these Regulations.

(3) Where the GFSC has disclosed an administrative sanction or other measure to the public, it must at the same time report it to EIOPA.

**Chapter 2

64. An insurance, reinsurance or ancillary insurance intermediary must, within 7 days, give written notice to the GFSC of the appointment, removal or resignation of an auditor.

- (b) a statement signed by the auditors of such circumstances as are mentioned in (a).

(2) For the purposes of these Regulations, a failure to appoint an auditor at the end of the auditor's term of office must be deemed to be a removal of that auditor.

 - (i) assessed the information contained in it; and
 - (ii) provided the home state regulator with relevant information in connection with the EEA intermediary’s intended provision of insurance or reinsurance distribution services in Gibraltar;

(4) On qualifying for authorisation as a result of sub-regulation (2), an EEA intermediary has, in respect of each permitted activity which is a regulated activity, permission to carry on the regulated activity through its Gibraltar branch.

(5) The permission is to be treated as being on terms equivalent to those appearing from the home state regulator notice received under sub-regulation (3).

68.(1) The GFSC may enter arrangements under sub-regulation (2) with a competent authority in another EEA State.

Breach of obligations when exercising freedom of establishment.

69.(1) The GFSC may take appropriate measures where it considers that an EEA intermediary acting in Gibraltar under the freedom of establishment is in breach of any of regulations 11 to 21 or 34 to 37.

(2) Where the GFSC considers that such an intermediary is in breach of an obligation under any other provision of these Regulations or the Insurance Distribution Directive, it must refer its findings to the home State regulator.

(3) Where, despite the measures taken by the home State regulator or because those measures prove to be inadequate or are lacking, the intermediary persists in acting in a manner that is clearly detrimental to the interests of Gibraltar consumers on a large scale or the orderly functioning of insurance and reinsurance markets, the GFSC, after informing the home State regulator, may take appropriate measures to prevent further irregularities, including, in so far as is strictly necessary, preventing the intermediary from carrying on new business in Gibraltar.

(4) Sub-regulations (2) and (3) do not affect the GFSC's power as host State regulator to take appropriate and non-discriminatory measures to prevent or penalise irregularities committed in Gibraltar, including preventing an intermediary from carrying on new business in Gibraltar, where—
