INFECTIOUS DISEASES ORDER

The provisions of Part IV of the Ordinance relating to the notification of disease apply to the following infectious diseases:—

Acute Encephalitis
Acute Poliomyelitis
Chicken Pox
Epidemic Parotitis (Mumps)
Erysipelas
Lassa Fever
Leprosy
Marburg Disease
Measles
Meningococcal Infection
Ophthalmia Neonatorum
Paratyphoid Fever
Pertussis (whooping Cough)
Puerperal Fever
Rabies
Relapsing Fever
Rubella (German Measles)
Trachoma
Tuberculosis (all forms)
Venereal disease
Viral Haemorrhagic Fever

and those diseases are notifiable diseases to which the provisions of the Ordinance relating to notifiable diseases apply.

This Order does not apply where a person suffering from venereal disease is under specific and adequate treatment, and by reason of habits, condition of life and residence is unlikely to spread the disease.

The provisions of sections 155, 156, 165 and 166 of the Ordinance do not apply to tuberculosis.
